E-commerce Specialist | Product Listings, Inventory Management, Vendor Sourcing, & Marketing Content Creation

I am an experienced e-commerce professional with a proven track record of streamlining operations through effective product listings and inventory management on platforms like **Amazon** and **Shopify.** I ensure efficient workflows and accurate inventory tracking by leveraging tools such as **Microsoft Excel** and AI solutions (ChatGPT). For example, I improved inventory accuracy by 20% and boosted sales through optimized listings by 15% over six months.

Additionally, I specialize in creative content creation using **Canva,** delivering marketing materials that boost product visibility and drive sales. With a results-driven approach, I continuously expand my digital marketing expertise, helping businesses thrive in the fast-paced e-commerce landscape.

Services I Offer:

- **Product Listing Optimization (Amazon, Shopify)**
- **Inventory Management and Custom SKU Creation**
- **Vendor/Supplier Sourcing from China**
- **Marketing Content Creation (Banners, Product Images, Social Media Posts)**
- **Data Analysis & Reporting using Microsoft Excel**
- **Custom Graphic Design for product promotion and branding using Canva**

Let's collaborate to elevate your e-commerce business to new heights!

Feel free to reach out, and let's discuss how I can help you grow your e-commerce business.
